

Name: _____

Date: _____

Action Verbs: Surprising Little House Guests

Action verbs name something that a noun can do.

(Remember that a noun is a person, place, thing, or animal.)

Directions: Read each sentence. Circle the action verb, and write it on the line.

Example: Worker bees clean the beehive.

clean

1. Cockroaches can hold their breath for up to 40 minutes.

2. Worker ants take food back to the rest of the ant colony.

3. Sometimes wasps build nests that hang.

4. Bees can talk to each other by doing a type of dance.

5. The cockroach ran 59 inches per second to get away from danger.

6. Ants share the work in their colony.

7. Wasps can signal to their colony when there is danger.

8. Ants carry things in and out of their home.

9. The bee visited 10,000 flowers in one day!

10. Worker ants leave a trail so that the other ants can find the food.
